
Launch of the Member Management System on UKGA Website: **UKGA Connect: Your Golfing Network, Now Online**

In yet another first for a Golf Association in India, UKGA is proud to launch **India's first-ever Online Golfers' Portal** designed exclusively for our members.

Through this platform, UKGA golfers can now:

- Access a **Member Directory** and connect with fellow golfers across the state (and beyond).
- **Chat directly** with other members, perfect for coordinating games or meeting players while travelling.
- Create **personalised fourballs**, schedule tee times, and build your golf network effortlessly.
- **News & Updates Hub** for the latest UKGA announcements, rankings, and golf developments.

Coming soon:

- **Integrated Tee Time Bookings** with golf courses in Uttarakhand and affiliated clubs across India.
- **Tournament Entry & Live Scoreboard** for real-time competition tracking.
- **Handicap and Performance Dashboard** to analyse stats and track progress.
- **Event Calendar & Notifications** so you never miss a tournament, workshop, or social golf meet.
- **Digital Membership Card** for a seamless, paperless experience.

Getting Started:

Members can **log in using their registered email ID** with the **default password**. For security reasons, please **change your password immediately after your first login**.

With this initiative, UKGA continues to lead the way in making golf in Uttarakhand more **connected, convenient, and community-driven**.
